COLLECTIVE PAPERWORKS / MAKERS MARKET

How to use this kit

Print only the pages you need. Reprint any worksheet for every new event.

BEFORE MARKET DAY

Plan your event (p. 7), pack (pp. 8-9), sketch your booth (p. 10), and prepare inventory and pricing (pp. 12-14).

AT THE MARKET

Use your sign and cards (pp. 3-6), record sales and costs (pp. 16-18), and capture customer requests (p. 15).

AFTER THE MARKET

Summarize revenue and costs (p. 19), then decide what to improve before your next event (p. 20).

PRINTING NOTES

Paper: US Letter, 8.5 x 11 in. Print at actual size / 100%.

Use standard printer margins; scale is optional.

Cut along the outlined cards or tags as needed.

Worksheets are designed for handwriting, not automatic calculation.

BUSINESS NOTE

Financial totals are planning estimates, not tax or accounting advice.

Suggested order: pages 3-6 are print-and-cut; pages 7-20 are worksheets.
